

Acknowledgement within 72 Hours under UPMSME Act 2020

About:

Under the UP MSME Act 2020, businesses applying for registration or seeking recognition as Micro, Small, or Medium Enterprises (MSMEs) in Uttar Pradesh are entitled to receive an acknowledgment within 72 hours of submission. This provision ensures a streamlined process for registration, enhancing transparency and efficiency in the support offered to MSMEs.

Benefits:

- Now approval for setting up an enterprise in the state is being given within a period of 72 hours.
- The unit is exempted from inspection for 1000 days from the date of receipt of acknowledgment.
- Timely Acknowledgment: Guaranteed acknowledgment of the registration application within 72 hours of submission, ensuring quick processing and acknowledgment of receipt.
- Streamlined Process: Simplified and efficient registration process to facilitate faster recognition and support for new and existing MSMEs.
- Transparency: Enhanced transparency in the registration process by providing a timely acknowledgment, which includes a reference number for tracking the application status.

Eligibility:

- Registered MSMEs.
