

## **Implementation of Single Window at District Industries Bundu and District Level**

### **About:**

Nivesh Mitra has been envisaged as a simple, user-friendly, entrepreneur-centric web application that enables existing & prospective investors and entrepreneurs to get online clearances/NOC from the concerned department with ease and minimal “running around”. Entrepreneurs setting up small, medium & large-scale industries have to file application forms mandatorily through this system. It also provides an online monitoring facility for seeking the status of applications within the stipulated time limits. This helps in ensuring systematic and time-bound clearances without actually having to make visits to different departments.
