

Scheme for Training of Other Backward Classes (OBC)

About:

Training will be imparted to the OBCs to enhance entrepreneurship through skill development promotion. This training will be of four months duration in the district, in which a total of 37 trainees will be taken. Candidates will be given one month of theoretical training and 03 months of practical training at various field units/departments. Service is given at the centers. After the training program is over, the candidates are given a toolkit of the respective trades.

Benefits:

- Under the scheme, a four-month group training programme is conducted to enhance the technical skills of OBC people
- This scheme of training for OBC people is funded by the Micro, Small and Medium Enterprises Department. In the training program, one month of theoretical training and three months of practical training are given.

Eligibility:

- The minimum age for selection should be 18 years and maximum age should be 45 years
- Knowledge of reading and writing is not necessary for training in non-technical trades.
- Eighth pass is mandatory for training in technical trades.

Under the scheme, application is made by obtaining the form from District Industry Promotion and Entrepreneurship Development Centre, Lucknow.
